PERMANENT CHANGES for 2025-2026 and Subsequent Show Seasons

Rules 6.08, 6.15, 6.30, 7.09, 7.11, 10.23, 28.02 and Article XXXVI are effective May 19, 2025

Note: Only the sections of the show rule which changed are included. A '...' before and/or after the text indicates there is text from the show rule not included.

- 6.08** With the exception of qualifying longhair Exotics (which may be shown in Persian classes), each kitten or cat must be entered in the breed under which it is registered.
- 6.15** Only cats registered with CFA with either a temporary or permanent registration number are eligible for entry in the Kitten, Championship, and Premiership competitive categories and the Veterans, Provisional Breed, Miscellaneous (Non-Competitive) or AOV classes. The show management is expressly prohibited from accepting a Kitten, Championship, Premiership, Veteran, Provisional Breed, Miscellaneous (Non-Competitive) or AOV entry unless the official entry form contains a registration number or request for a temporary registration number. (Except those listed cats that are competing as Novices, as provided for in paragraph 2.07.a). It is the responsibility of the owner to enter the cat with its proper registration number as shown on the registration certificate. Any AOV, Provisional or Miscellaneous kitten must have a registration number in order to be eligible to be shown.
- 6.30** The entry clerk shall be responsible for reviewing each entry form received to verify that all necessary information is included. The entry clerk is prohibited from accepting Kitten, Championship (unless the entry is for a Novice), Premiership (unless the entry is for a Novice), Provisional (kittens or adults), Miscellaneous (kittens or adults), Veterans, and AOV entries (kittens or adults) whose entry form does not contain a registration number. In the case of kittens or cats requesting a temporary registration number, the entry clerk will assign the number from the list provided by Central Office for inclusion in the show catalog and complete, if not already completed by the owner, an application for temporary registration number that will be attached to the pedigree or documentation of CFA registration numbers of parents, if allowed by rule 6.16, and associated fee payment. The kitten's or cat's pedigree (or CFA registration numbers if allowed by rule 6.16), application form, and associated registration fee OR a catalog correction form containing the cat's permanent registration number must be provided no later than the close of check-in for the show. Failure to do so will result in an adult cat

being entered as a novice and a kitten being removed from the show as Ineligible for Entry. If a fully completed TRN package or catalog correction form with permanent registration number is received by the entry clerk between entry closing and the close of check-in, the entry clerk will put the number in the Master Clerk catalog and transfer the adult cat out of Novice in that catalog and the judges' books. If such transfer is via a catalog correction form with permanent registration number, the entry clerk will also provide that catalog correction form to the master clerk so that the master clerk catalog can be updated. It is acceptable to use the absentee/transfer form to transfer the cat in the judges' books.

- 7.09** The introductory page(s) must contain the following information:
- a. the full name of the club or clubs (including all specialty clubs) sponsoring the show;
 - b. the names of all officiating judges;
 - c. the names of the show committee, indicating their positions as officials of the show;
 - d. a notice that all Kitten, Championship, and Premiership entries, Household Pets, and all registered cats competing with Household Pet color class prefixes (whose registration numbers are printed or written in ink in the catalog) will be scored for CFA awards;
 - e. emergency telephone numbers (ambulance service, police and fire), and
 - f. a copy of the CFA Exhibitor's Code of Ethics.
- 7.11** The exact registered name of each entry; its CFA registration number (either temporary or permanent), date of birth, sire & dam (including titles) and breeder (if available); and the name and region of residence of the owner—all must be PRINTED in the catalog. The only exception to the requirement for a registration number would be 1) Novices, 2) cats listed as exhibition only. Each entry must have a name. No Household Pet shall have its breeder, sire or dam listed in the show catalog. If a Pedigree cat transfers into Household Pet class, the entry clerk shall delete from the cat's record the breeder, sire and dam before entering it in the show documents and notify the owner.
- 10.23** Correction of entry information:
- ...
- c. If any of the entry information as printed in the catalog is in

error, or a registration number has not been printed in the catalog, it is the exhibitor's responsibility to provide corrections of the information printed in error and/or the lacking registration number to the master clerk or the Entry Clerk or their designee (individual handling check-in), as appropriate. An official catalog correction request form must be used and the exhibitor submitting the form must obtain a copy of the catalog correction form signed by the master clerk, or designated representative, showing the correct information has been supplied for corrections of erroneous or missing entry information involving the name, registration number, birth date, ownership, region of residence of the cat, or competitive category (Kitten, Novice, Open, Champion, Premier, Grand Champion, Grand Premier, Household Pet). This receipt should be retained by the exhibitor in the event any question might arise at a future date regarding an entry. For erroneous information regarding sex, age, color/tab by pattern, color class, competitive category (changes to or from Grand Champion/Grand Premier only) or competitive class of the cat, the correction must be made on the absentee/transfer sheet with the entry clerk or their designee (individual handling check-in), or, if check-in is completed, with each ring clerk prior to the cat being judged. Correction of erroneous information regarding the sire, dam, or breeder is not required. Changes to titles within the Bronze/Silver/Gold tiers of Champion and Premier are not required.

AWARDS

National Awards

A cat/kitten is credited for all national points earned under the scoring provisions regardless of any transfers of ownership. This includes any kitten originally registered with its breeder as its owner which is transferred with a new name to a new owner prior to reaching 8 calendar

months of age.

...
Regional Awards
...

Regional Definition:

- ...
5. A cat/kitten/household pet whose owner changes residence or whose ownership changes and is otherwise eligible, may receive awards in a region within regions 1–7, region 8, region 9, and/or Hawaii, and/or the International division. This includes any kitten originally registered with its breeder as its owner which is transferred with a new name to a new owner prior to reaching 8 calendar months of age. These multiple awards are not prohibited. However, no more than one NW will be issued to the same cat in the same category in one show season, e.g., a cat may earn a title in kitten and championship/premiership during the same season, but not two awards in any category.

28.02 A cat eligible for and shown in the Champion or Premier Class will compete for Grand Championship or Grand Premiership points in any type of ring, e.g. Allbreed, Longhair/Shorthair or Breed specialty as follows:

a. Any Champion or Premier placing in the top ten (or fifteen, where applicable) finals awards may receive points towards Grand Championship or Grand Premiership. For each Champion/Premier in an Allbreed final, the cat will be ranked according to both its Allbreed Champion/Premier placement and Specialty Champion/Premier placement. For each Champion/Premier in a Specialty final, the cat will be ranked according to its Specialty Champion/Premier placement. Champions/Premiers will earn points from the final according to the remainder of this rule and 28.03b, which will apply to both the Allbreed and Specialty Champion/Premier placements in an Allbreed final. The highest placing Champion or Premier will receive one point for every benched Champion or Premier defeated for shows held outside of the International Division. For champions/premiers competing at shows in the International Division, the cat will receive one Grand Championship/Premiership point for every Champion/Premier defeated that was present in at least 70 percent of the Rings held at that show. To determine the 70 percent present requirement, see the following table:

Number of Rings held at show	Rings present for cat to be in count
1 Ring held	1 Ring
2 Rings held	2 Rings
3 Rings held	3 Rings
4 Rings held	3 Rings
5 Rings held	4 Rings
6 Rings held	5 Rings
7 Rings held	5 Rings
8 Rings held	6 Rings
9 Rings held	7 Rings
10 Rings held	7 Rings

Cats not present in the number of Rings specified in the table based on the number of Rings held at any show held in the International Division will not be counted as competing at the show for determining the official champion/premier count, however, any grand points won by these cats in any ring will still be credited to that cat's record.

The second highest placing Champion or Premier will receive 90% of the points awarded the highest placing Champion or Premier, third highest 80%, fourth highest 70% and 5th highest 60%, etc. In cases where 11 or more cats in a top 15 final are champions, those champions placing 11th thru 15th best cham-

pion within that final will receive 5% of the points awarded to the highest placing champion. In all cases, fractional points 0.5 and greater will be rounded to the next higher number.

29.02 (effective May 1, 2025)

a. Two hundred (200) points are required for Grand Household Pet in Regions 1 through 8 with the exceptions of the Maritime Provinces of Canada, Hawaii, and the International Division. For cats residing and competing in those excepted areas (except Hawaii) one hundred (100) points are required for the Grand Household Pet (GH) title. For cats residing and competing in Hawaii thirty-five (35) points are required for the GH title. For cats residing and competing in Region 9, fifty (50) points are required for the GH title.
